

RAMSA 2015 Travel Fellowship

December 15, 2014

Annmarie Adams, Director
School of Architecture, McGill University
Room 201, Macdonald Harrington Building
815 Sherbrooke Street West
Montreal, Quebec H3A 0C2

RAMSA

Dear Dr. Adams,

On behalf of Robert A.M. Stern Architects, I am pleased to announce the third annual RAMSA Travel Fellowship. The \$10,000 Fellowship is awarded to an individual for the purpose of travel and research and seeks to promote investigations on the perpetuation of tradition through invention. We welcome again the participation of students at McGill University in their final year of studies, pursuing a Masters in Architecture.

I would like to forward the attached digital email announcement for distribution so that students might utilize the upcoming winter recess. Two posters will be sent to the school in January as a formal announcement of the Fellowship, at which time the 2015 forms and applications will be available.

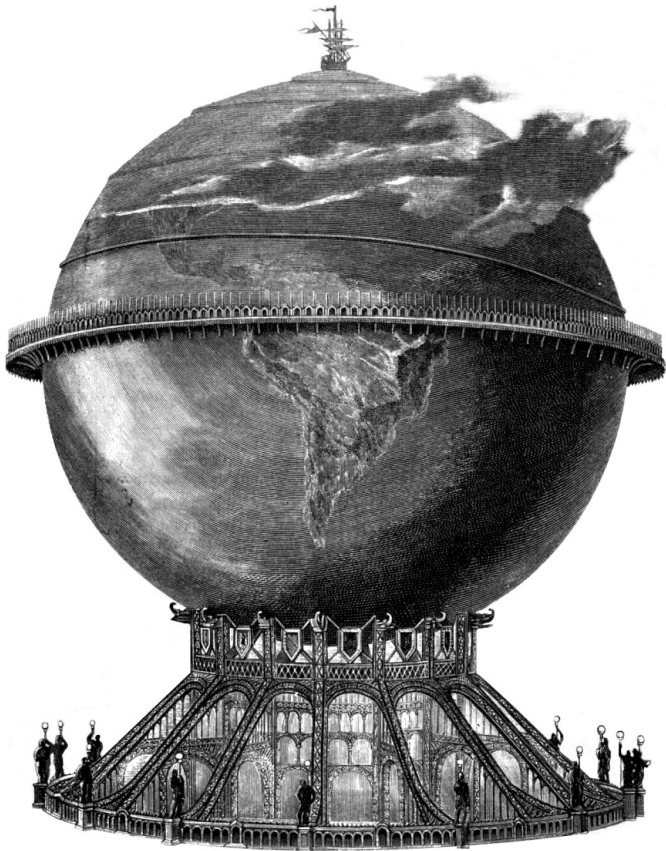

Please contact me by phone or e-mail should you have any questions. Thank you in advance for your assistance.

Sincerely,

Arianne Kouri
Research Department

On behalf of Robert A.M. Stern Architects

HOW FAR CAN YOU GO WITH \$10,000?

The RAMSA Travel Fellowship is a \$10,000 prize awarded annually by Robert A. M. Stern Architects for the purpose of travel and research. More specifically, the RAMSA Travel Fellowship seeks to promote investigations on the perpetuation of tradition through invention – key to the firm's own work. The prize is intended to nurture emerging talent and is awarded to an individual who has proven insight and interest in the profession and its future, as well as the ability to carry forth in-depth research.

Forms and applications to be released January 2015
