McGill Summer Studies in Greece (MSSG)

This June, McGill University in collaboration with the International Hellenic University, is offering a Summer Course in Greece. Students from McGill University and from accredited institutions around the world have the unique opportunity to take a 3-credit course in one of Greece's most vibrant and cosmopolitan cities, Thessaloniki!

Course Description

The MSSG offers the following 3-credit course. Students can choose one of the two suggested sections. Each section is comprised of four week-long seminars. Teaching faculty from McGill for the 2015 course will include Profs. Hans Beck and Maria Popova.

HIST 462 - Mediterranean and European Interconnections

SECTION 1

- Ancient Greek Democracy and its present legacy
- Life in an Imperial City: Byzantine and Ottoman Salonica
- Empires and Nations in the modern Mediterranean, 19th-20th century
- European and Mediterranean Revolutions since 1821

SECTION 2

- Alexander the Great: from Macedon to global empire
- Salonica: Multiple legacies and the politics of memory and space
- Religion and politics in SE Europe and the Middle East, 19th-20th century
- The EU and its fringes: East-Central, SE Europe and the Middle East
